MAPLEWOOD COMPREHENSIVE HIGH SCHOOL

NASHVILLE, TENNESSEE

VOLUME 31

HISTORY IN THE MAKING

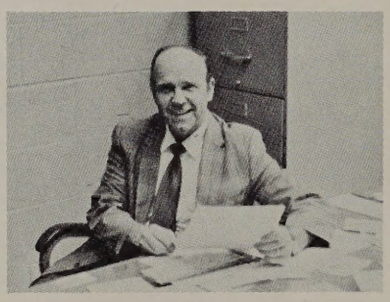
Maplewood came into existence in the year of Ninteen Hundred and Sixty, with Morris Estes as Principal. The enrollment came from four hundred to one thousand students. The facilities included thirty-three classrooms, a new Art Department, a newly enlarged Industrial Arts Department, Gymnasium, and Auditorium, and expanded Cafeteria, which seats about four hundred, and a Library-Study Hall.

The faculty started out with thirteen as a Junior High School, and has increased to thirty-three with the student body increasing, from grades seventh through tenth. The eleventh and twelfth grades will be added in the next two years. From that faculty that started in 1960, we have Mr. John Dossey and Ms. Pamela Hickman, that still reside with us.

MR. MORRIS R. ESTES

Principal 1956-1969

Emory and Henry College, B. A.
Yale University, B. D.
Peabody College, M. A.



DR. EDWARD ADELMAN

Principal 1969-1977

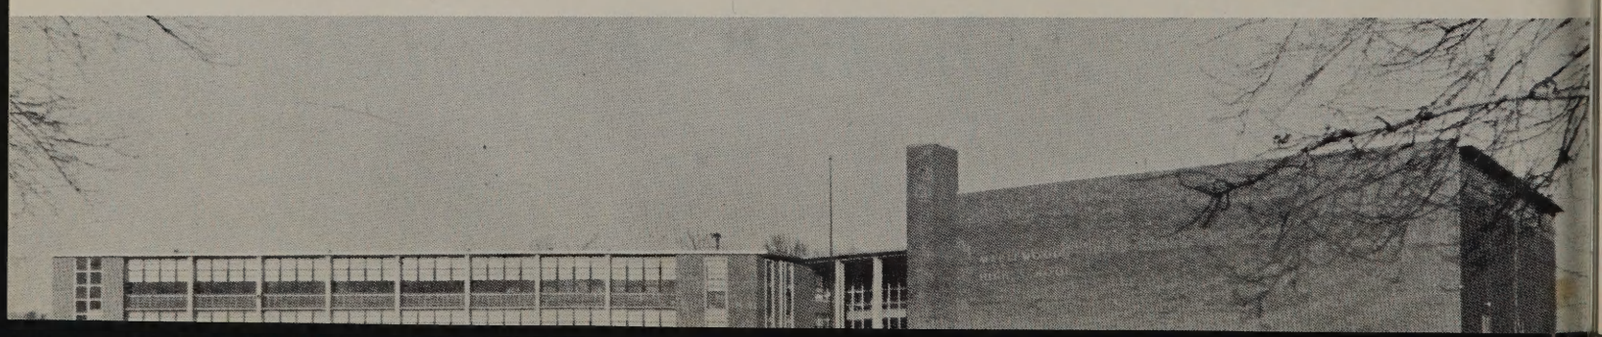
Appalachian, State — B.S.
Peabody, University — M.S.
Peabody/Vanderbilt — Ph.D.

DR. RILEY ELLIOT

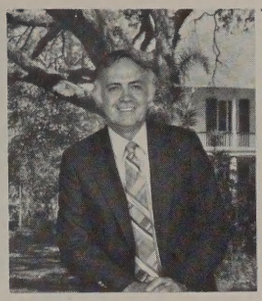
Principal 1978 —

Tennessee State University — B.S.
Tennessee State University — M.S.
Fisk University — M.A.
George Peabody College — Ed.D.

We asked them to tell us what they thought when they first came to Maplewood and here is what they had to say:



John Dossey

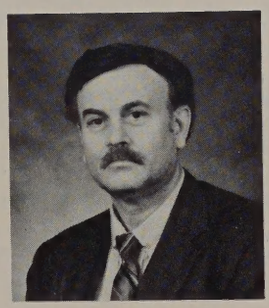


I started teaching at Maplewood Junior High School in August, of 1958. My assigned duties were seventh grade core in Room 207. My extra curricula assignment was seventh grade Girl's Basketball. When Maplewood became a High School, I was assigned to Forensics.

Maplewood has had some outstanding students from all of the years. Some of them are:

Brenda Lee — Cheerleader.
Rita Coolidge — Cheerleader.
James A. Freeman, III — First State Champion Extemp — 1985. He was also second in the nation in Radio and T.V. He is now a practicing Attorney in Nashville.
E.J. Junior — Played Football at Maplewood. He now plays for the St. Louis Cardinals.
Terry Howard — Plays Men's Basketball.
Fred R. Riley — Was an outstanding Half-Timer.
Brandy Wakefield — State Champion in Men's Extemp
Preston Brown — State Champion — 100 Yard Dash and 220; he also played football. He now plays football for the New England Patriots.
Latricia Fletcher — State Champion, Mile Relay
Antionetta Scruggs — State Champion, Mile Relay
Cassandra Hayes — State Champion, Mike Relay
Lina Green — State Champion, Mile Relay
Francis Phillips — State Champion, Men's Extemp. He is now a Senior at David Lipscomb College.
Louis Upkins — State Champion — Drama. He graduated from TSU in the Spring of 1985, with a Degree in Communications.
Norman Brown — State Champion — Drama
Katherine Huddleston — State Champion — Drama.
Mark Brown — State Champion — Humor. He is currently a student at Maplewood High School.
Richard Jackson — Integrated our Senior Class in 1968. Today he is an Attorney.

In 1965, we carried 13 buses to our first State Championship in Girl's Basketball.



Paul Burton

I began teaching at Maplewood High School during the school year 1961-62. At that time, Maplewood housed grades 7 through 12. The Principals were, Mr. Adam Deberry and Mr. Morris Estes.

Three of our present teachers, Miss Hickman, Mrs. Vandercook and Mr. Dossey; were members of that teaching staff. Mr. Woodall, now retired and Mr. Charles Gann, Metropolitan School Board, were members of that faculty too.

Before coming to Maplewood, I had taught at Jordonia Reform School (now Spencer Youth Center) from 1957-1961.

I enjoyed teaching at Maplewood from 1961-67. When Ewing Park was completed, I taught there from 1967-76.

In 1976, I was reunited with the teaching staff at Maplewood under Principals, Dr. Elliott and Dr. Adleman. I have been happy ever since.

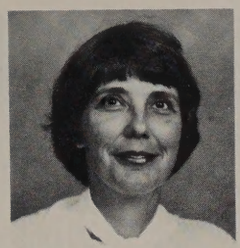
Pamela Hickman

I came to maplewood in the Fall of 1959, and was assigned to teach Health and Science. I have been involved in various activities. I have sponsored both Basketball and Tennis.

1965 — We were the Regional Champions in the State Tournament.
1966 — We won 28 straight games and were the Semi-finalists in the State Tournaments. We were also the District Regional, and N.I.L. Champions, 4th place in the State Tournament.
1974 — We were the District, Regional Champions, Sub-State.
1975 — We were District, Regional Champions, Sub-State.
1980 — We were the District Champions, Sub-State Winners in the State Tournament.

One of the students that attended Maplewood, namely Marion Latham, the class of 1964, graduated from MTSU and is on the faculty as one of the Librarians, John Dossey and Pam Hickman were two of her teachers. They admire her for taking the opportunity to return to her Alma Mater.

In the Spring of 1971, Dr. Riley W. Elliott was appointed Principal. He replaced Mr. Edward Adleman, who was Principal from 1970 through the Fall of 1977. We are proud to say that Dr. Elliott is still with us today as the Executive Principal. We continue to enjoy working under his capable leadership.



Mrs. Jane Vandercook

In 1960, Mrs. Jane Vandercook was added to the faculty. Here is what she had to say about Maplewood.

When I came to MHS in 1960, we had only the seventh through the tenth grades. The eleventh and twelfh grades went to Goodlettsville High. At that time, I had to teach seventh and eighth grade subjects most of the day. I did have a ninth grade Civics class. Since most of the schools did not offer Civics, we did not have textbooks.

Our sports program was just getting started, or on its feet. We had a hard time getting enough young men to fill a football team. In fact, we did not have a field — we had to use the field at Litton for our games. We saw a lot of Homecoming Games that year, as everyone wanted a Victory for a game. Our Homecoming Game that year had a King and a Queen.

Their selection was determined by the amount of money they could raise. In fact, MONEY was a BIG problem here. I was chosen to be the Cheerleader sponsor. Rita Coolridge was on that first squad. She is now a recording star and has appeared in several movies. Brenda Lee, another recording star had a Birthday party that year with the Cheerleader's as guest. Pictures made at that party appeared in a national magazine. The girls Basketball Team was our claim to fame the first year years. We had teams to reach the finals several times. The Tournaments were held at MTSU. I remember sponsoring buses for the Tournaments. We had carried eleven (11) buses on first day, and thirteen (13) the second day. Our students earned a great deal of respect because they were so well behaved! By 1965, our sports program had improved and we attended our first Bowl Game. The Exchange Bowl at Litton. We were on our way at last to becoming a strong contender in Football. At least five schools wanted us to be their opponents for their Homecoming games. That year, the Cheerleaders built their first float for Homecoming. Floats were built until 1970, when expenses and time became hard factors to overcome.

In the latter part of the 1960's, the MHS Cheerleaders were in charge or directors of Cheerleading at the District and Regional Tournaments; supervising signs, and acting as the Host School. It was a lot of hard work, but also a lot of recognition. The Assistant Principal at MHS at that time was Mr. Adam Deberry.The present Principal, Dr.Elliott, also worked the Tournaments.

Cheerleading was declared a sport in 1969, enabling more girls to take part. This helped when cross-town busing became a reality in the 1970's. Many schools adopted the plan in the 70's.

In 1970, I served as Athletic Director of MHS, and my life was not my own from that year on. I also sponsored a Drill Team that year. It seemed I was here more than I was at home. When Mrs. Jennings came to MHS, she started the Halftimers.

The 70's flew by. I was teaching all High School Social Studies, and I am still teaching in the Social Studies field. I've had many successful students. Some are lawyers, doctors, professional football players, and Ambassador, and a U.S. Attorney.

The building today, has changed very little. The Vocational Educatiol Building has been added, and some minor changes in the main building have been made. However, most of the changes have been with me — 25 years older.

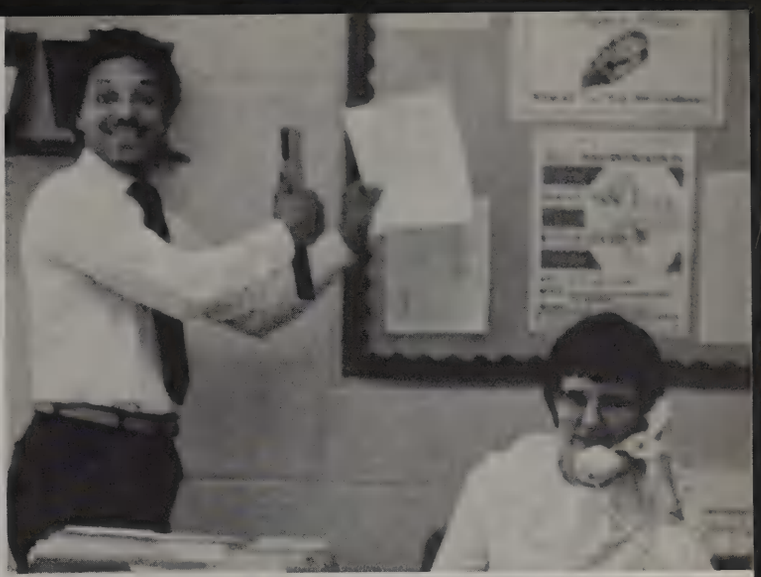
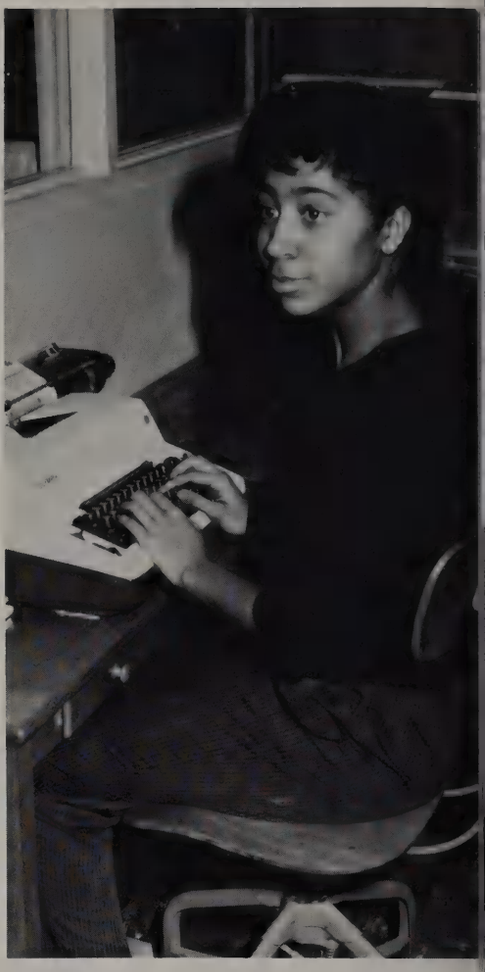
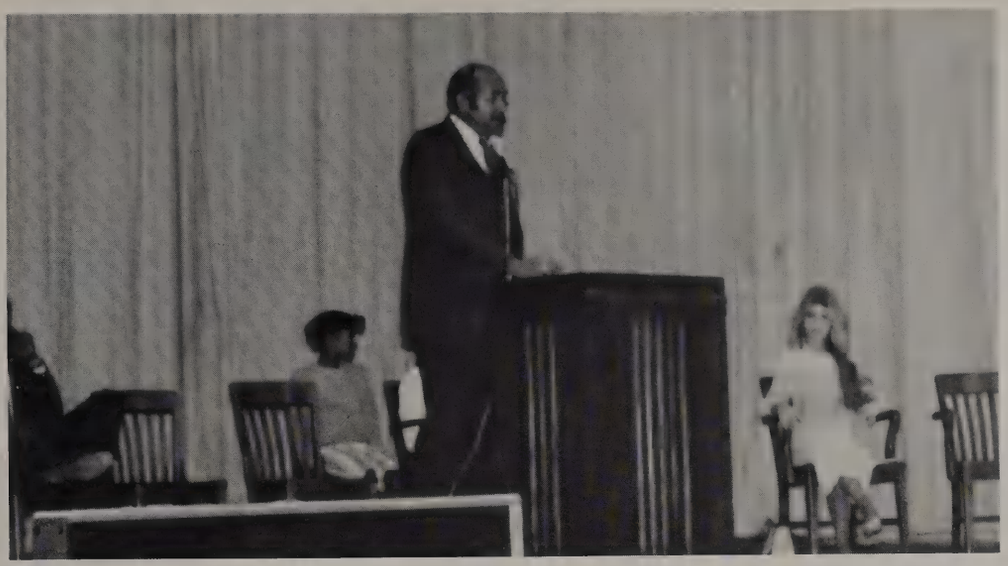
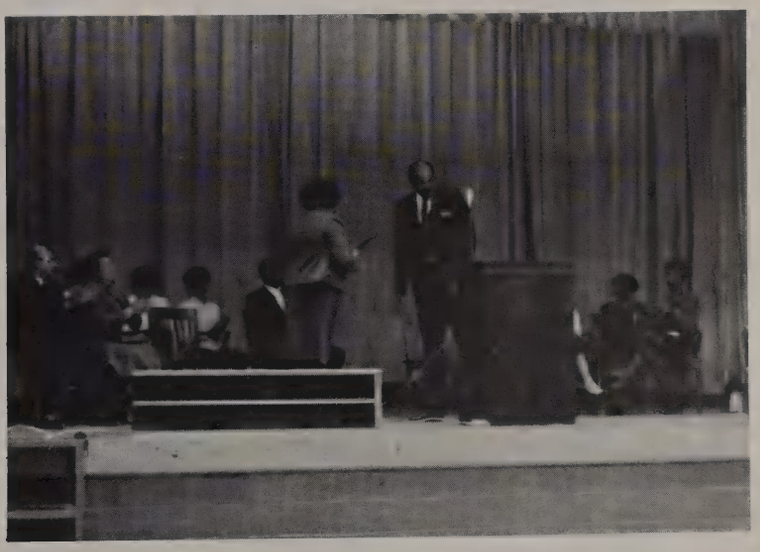
AFFAIR









American Education Week provides the Maplewood Family two marvelous opportunities. First, we have the motivation to remember the rich heritage of Public Education in America and to recommit ourselves to excellence. Our theme this year was "At Maplewood the Subject is Excellence."

Second we have the occasion to recognize persons who have devoted their careers to improving community life through involvement in public education. This year we honor Mrs. Dorothy Gupton and Mr. Newton Holiday, Jr.

Secretary, Lenora Mitchell

OFFICE WORKERS

Since our office is located near the front door, we are often very busy directing visitors to the proper offices. We also have the responsibility of handling incoming calls on the school switchboard. We are the 11th grade office.

The work in our office is a little more exciting at times, mainly because the students in this office are seniors. We are always happy to do what we can to make this office run smoothly.

We may be referred to as "The Travelers." Often, our errands take us to the main building several times during one class period. However, we are happy that we are able to contribute to the stability of the ninth grade office.

Looking up students, answering the phone, taking messages to teachers, and delivering reports are just a few of the activities we participate in each day. We like to feel that what we do helps Maplewood to run just a little more smoothly. We are the 10th grade office.

COMMERCIAL ARTS

Commercial Art VICA has participated in several projects this year. For a service project, they helped a man who had lost everything in a fire. The club raised enough money to buy him a television which made him very happy. The club had several fund-raising activities. Among them were: Silk screened T-Shirts, designer posters, and spirit buttons. They were honored during the school year to have had another class from another school to visit them. Mr. Cleve Yokley, and his graphic arts class from Stratford High school came over to learn about airbrushing.

ORGANIZATIONS

VOCATIONAL INDUSTRIAL CLUBS OF AMERICA are an important part of every vocational program. Students receive information on careers, learn parliamentary procedures as well as job preparatory information. Competitive events are held in each program area on the local, state, and national level. Maplewood can proudly boast of many winners on these levels. The 1985-86 VICA officers are: President, Adrienne Jolley; Vice President, Danny Dunn; Secretary, Tracey Renfro; Treasurer, Holly Wheeler and Reporter, Lee Ann Hawkins

third row: Kimberly Woods, Danita Booker, Sherri Shelton, La-Donna Jones, Angela Gunn, Faye Williams

PRINTING

The printing department under the direction of Mr. Gene Farrell, has had a very busy year. Students receive hands on experience in printing a wide variety of materials. The Panther's tale, the printing department's publication has had great success as the school's paper. We think that all schools should have commercial Art classes but we are glad to be able to help others.

MAPLELOGUE STAFF

Lisa Stanton — Editor

FROM THE EDITOR'S DESK

This constitutes my fourth year of being on the Yearbook Staff. This has been a rewarding and fulfilling experience for the entire staff. The 1985-86 year has left the staff with many of hurdles and turmoils. This years ending will be a sorrowful one for me. I especially will miss the students of MHS. I express my thanks to Mrs. D. Smith for the support and guidance given me, also, to Mrs. Millie Washington for the guidance and support she gave me during my first three years on the staff. Being Editor of the Yearbook is a hard job, but is fun and quite rewarding.

To next year's editor, best of luck and I sincerely hope you have as much fun as encountered.

Academic excellence over a four-year period is not easily attained. Consistent study, mountains of homework, endless tests, and regular attendance are obstacles which must be conqured by those who achieve this lofty goal. A temporary appearance on the honor roll will not suffice. Membership in athletics, cheerleading, marching band, office-holding, or any other school program in not enough. The students pictured here represent all these organizations and activities. However, they have earned this honor in the only place it could have been earned — in the classroom!

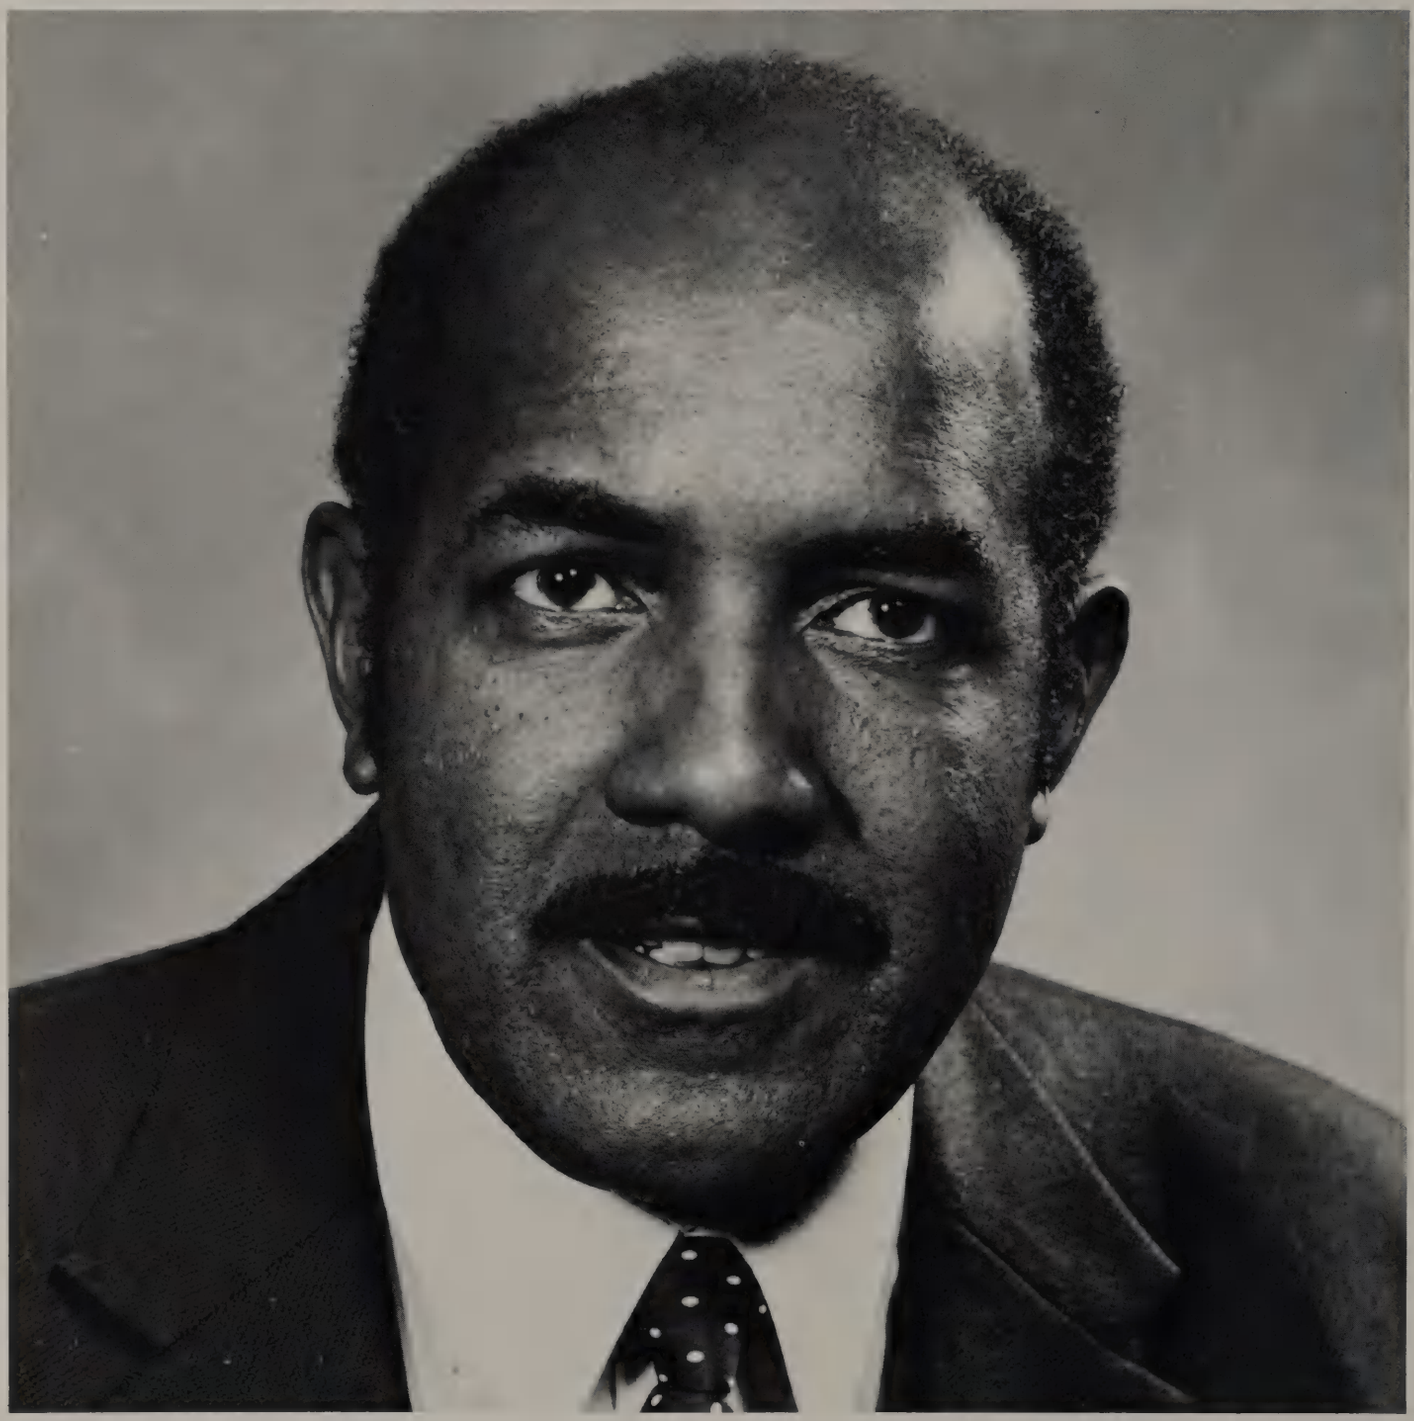
FACULTY

RILEY W. ELLIOT
EXECUTIVE PRINCIPAL



TO THE GRADUATING CLASS OF 1986

Our Governor has proclaimed 1986 as the year Tennessee Homecoming. Tennesseans from around the world are invited to come home and celebrate their roots.

When the class of 1986 graduates, your roots will be firmly anchored in the Maplewood family. You are part of a rich tradition and history that we can all be proud of.

We wish you boundless success in all your future endeavors and may you always look forward to your Maplewood Homecoming with great joy.

OOM PAH! PAH!

The Student Center.

Going to McDonald's® is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats.

You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say . . .

You deserve a break today

Paul Harper/Owner

"YEAR OF GRADUATION"

"This is the year I'm going to make it,
This is My year, I'm going to take it."
Here I was, a new child and alone,
Fresh with dreams that were my own.
Not knowing the rules and codes,
But determined to fit into the mold
Of this world of upperclassmen,
For I was nothing — just a Freshmen.

"This is the year, I'm going to make it;
This is My year, I'm going to take it."
Here I am, back in school;
This time is different, because I know the rules.
I know who is clique,
And I know what makes teachers tick.
I know all of this and more,
For I am more than a Freshman, I am a Sophomore!

"This is the year, I will make it;
This is My year, I'm going to take it."
Here I am big and bold,
Knowing the rules and fitting the mold.
Having my name on the Junior-Senior prom is fine,
I only wish that I had something to call my own
Things are just about the same, but this is newer,
I'm not a Sophomore, I am a Junior.

"This is THE YEAR, I Finally Made IT!
This is My YEAR, I Will Take IT!"
Here again, but for the last time;
I have done well and I have served my time;
It seems like yesterday that I was a Freshmen
with everything new;
Then I was a Sophomore and I THOUGHT I knew what to do;
Then I was a Junior in the shadow, just kind of there.
With nothing of my own, thinking that no one cared.
This is the year when things are both new and old;
I am the cliques and I make the mold!
My Freshmen, Sophomore, and Junior "Adventures"
are a thing of the past'
Because I AM A SENIOR, I HAVE MADE IT AT LAST!
And before I march on that Great Day,
I want to thank those who helped me along the way,
My parents, principals, and Ms. Harper
too;
But most of all God, because he let me live to
see it through.

Verlan Fondren
Class of "86"
